Our Crew Briefing Package includes the Operational Flight Plan/Tech Logs with updated winds and temperatures, ATS Flight Plan copy and updated trip tailored NOTAM briefing, Surface Weather briefing, Cross Section Wind charts and Significant Weather charts.

OUR EXPERIENCED PROFESSIONALS ARE DESIGNED TO MAKE YOUR MISSION A SUCCESS.

We provide you with:

- Satellite imagery and Text Weather reports for airport and FIR
- Up-to-date Weather Briefings for Passengers
- Airport and FIR NOTAMS
- Most reliable NOTAM Briefings

We have through the years developed exceptional business relationships with every aircraft operator in the world. We are in constant contact with all of these operators, which affords us daily information as to the availability of aircraft around the world. We are charter transportation professionals and can quickly and easily recommend and locate the aircraft that best serves your requirements.

Every aspect of air charter is handled for cargo or passengers, as well as all corporate jet requirements. Allowing arrival in comfort with a unique style; relaxed and thus able to enjoy your time. Our highly efficient team of multi-lingual experts has for many years arranged executive charters for business and pleasure, corporate hospitality and medical evacuation

We liaise with Civil Aviation Authorities and our representatives across the globe, so that we can provide our clients with constantly-updated permissions, and ensure that their flight plans are on schedule. We routinely handle short-notice over-flight and landing permits around the world for:

- Corporate Jets
- Passenger Charter
- Cargo Charter
- Ferry Operations
- Relief And Emergency Operations
